ChildcareCRM

Simplify interviewing and hiring with ChildcareSTAFF, education staffing software.

Manage the entire recruitment process with ease. ChildcareCRM's staffing solution **streamlines your communication with candidates** by automatically capturing applications, resumes, email conversations, and text communications. The platform provides automated notifications, interview confirmations, and meeting reminders so you remain 'in the know'.

Attract more applicants with state-of-the-art landing pages and forms to capture candidate information.

Engage candidates by automatically identifying who's the best fit for your business and connecting with them at the right time.

Simplify interview scheduling with an online calendar that updates in real-time to reflect your available interview dates and times.

Save time with automated email and text reminders that keep both you and your interviewees in the loop about your scheduled meetings.

Hire team members with ease knowing that the repetitive administrative work is being handled for you.

to me Jul, 19, 2021, 2:46 PM

Hello Sherry,

I'm looking forward to our meeting **tomorrow morning at 9am CST**. If for any reason, you are no longer able to attend, please reply to this email or call me at (866) 306-1985 at your earliest convenience.

Best,

Abel Martinez
Director
ABC Learning Center
Frisco, TX

ChildcareCRM is the #1 CRM software in the childcare industry. For more than a decade, ChildcareCRM has helped childcare organizations grow enrollment and save time by automating marketing. The company pioneered CRM and marketing automation software for childcare businesses and today serves more than 4,000 childcare centers globally— from single centers to multinational enterprises. The award-winning ChildcareCRM platform includes lead management, marketing automation, reporting, online enrollment, and pre-enrollment payment. **Learn more at ChildcareCRM.com**
